EXECUTIVE

Inspired by the foggy coastline and salty air in Maine and textural fabrications such as flannel and tweed, our new hospitality collection fuses our signature organic pattern language with the sleek, tailored world of the urban executive in a peaceful, comforting way.

"The Executive collection is the perfect palette and blend of textures to surround yourself with at the end of a busy day. The soft foggy, grey flannel colors and subtle lines are instantly relaxing and comforting. The soft gold color adds the warmth and luxury of warm honey." — Angela Adams
